Subject: Award of State Term Contract 208M for an Endpoint Security Software Solution

---

The Office of Information Technology Services awarded a new State Term Contract 208M for an Endpoint Security Software Solution on August 16, 2010. This contract includes Anti-Virus/Malware/Adware Components, Encryption Components, or a Full Endpoint Product Suite (both AV/Malware/Adware and Encryption) available from two manufacturers - McAfee and Symantec. The new State Term Contract 208M replaces the Anti-Virus Software Contract 208L and the Encryption Software Contract 208E. It is a mandatory contract for Executive Branch State Agencies. The contract term is August 16, 2010 – August 15, 2013 with two additional 1-year renewal options.

SHI International Corp. is the awarded reseller for both the McAfee and Symantec Software Solutions. You may access the contract and pricing information on the Statewide IT Procurement Office web-site located at the following link:
